The vision of the FFBF is "Florida Farm Bureau will be the most effective, influential and respected Farm Bureau in the nation. To truly be recognized as Florida's Voice of Agriculture."

Florida Farm Bureau Federation is celebrating 76 years of service to agriculture and the people who make it a success. With more than 145,000 members, Florida Farm Bureau is our state's largest agricultural organization. Sixty county Farm Bureaus constitute the grassroots structure of our organization. We represent farm owners who produce all 300 of the state's agricultural commodities, regardless of their scope of operations or location.
